### **Monroe Clinic Welcomes Dr. Charles Kind, Now Offers Podiatry**

(Monroe, WI) – Monroe Clinic, a member of SSM Health, announces the addition of podiatry services, as well as the hiring of Dr. Charles Kind, DPM.

Podiatry is the evaluation and treatment of health problems related to the feet and ankles. Dr. Kind brings a wealth of experience in this field and will offer a wide array of medical and surgical services for patients with foot conditions. “After 25 years in private practice in Monroe, I am very happy to be joining Monroe Clinic,” said Dr. Kind. “I have performed surgical procedures there for years and look forward to working more closely with the talented staff.”

Dr. Kind will began seeing patients at Monroe Clinic the week of October 12, 2020. If interested in scheduling an appointment with Dr. Kind, or learning more about the new podiatry services at Monroe Clinic, please visit [monroeclinic.org/podiatry](http://monroeclinic.org/podiatry) or call 608-324-2175.

### **About Monroe Clinic**

[Monroe Clinic](http://monroeclinic.org), a member of SSM Health, is a Catholic, not-for-profit health care network with one hospital and a multi-specialty physician practice with over 120 employed providers offering a broad range of health care services to meet the needs of the communities it serves in southern Wisconsin and northern Illinois. Monroe Clinic also includes 12 clinic locations, a 24-hour emergency department, a home care and hospice agency, retail and urgent care clinics, rural residency and fellowship programs, and primary care sites offering preventive, acute and rehabilitative care. For more information, visit [monroeclinic.org](http://monroeclinic.org)
