## **Monroe Clinic Announced as Wisconsin Hospital Association Award Winner**

(Monroe, WI) – Monroe Clinic, a member of SSM Health, is honored to receive regional recognition as one of the Wisconsin Hospital Association's (WHA) 100<sup>th</sup> Anniversary Value Award winners.

In honor of its 100 years, WHA offered the opportunity for member hospitals to apply for the "100<sup>th</sup> Anniversary Value Award". This award is based on the values of WHA – Advocacy, Integrity, Foresight, Relationships and Leadership.

The application process involved Monroe Clinic sharing examples of the WHA values in action at our facilities and sharing how local processes and models positively impact daily work.

"One area that stood out to us was the Coaching Model (Integrity) that [Monroe Clinic] developed and embedded into [their] culture," shared Eric Borgerding, President & CEO of WHA. "The ability of managers/coaches to engage, enable and empower their teams is not a minor task and it is evident that [they] do this consistently with intention and commitment."
